"UTTERLY SPECTACULAR. THE BEST ACTION FILM OF THE YEAR." – Paul Clinton, CNN

Arnold Schwarzenegger puts on his trademark shades and leather jacket to return as a time-traveling T-101 Terminator in this smash hit directed by Jonathan Mostow. He's back to protect future Earth Resistance leader John Connor (Nick Stahl)...and an unwary veterinarian (Claire Danes) who's stunned to learn her destiny is linked with Connor. An awesome new foe is programmed to terminate them – a state-of-the-art T-X (Kristanna Loken) who's smarter and stronger than a T-101. With dazzling effects, bravura thrills and a story that boldly spins into the unexpected, this is an event spectacle to see and see again.
